

I have four legs, but I don't have feet. I come in handy when it's time to eat

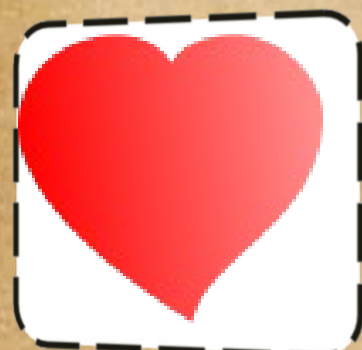

I rain on you when you need a scrub. I'm very much like my friend the tub.

Watching your favorites is lots of fun. I get sad when a movie is done.

For fast heating or cooking, I am tops. And, oh, that good smell when my popcorn pops!

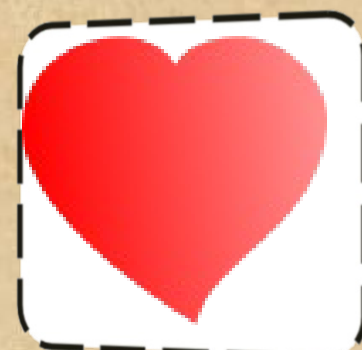

Turn me on and I'll give you a light. I'm used some in the daytime but mostly at night

I take your clothes for quite a spin. But first they get wet. That's how I begin.

I'm filled with feathers or other soft fluff. To sleep without me can be quite tough.

I have drawers and also a nice flat top. For homework I'm helpful -- Keep working. Don't stop!

I make it possible to have fresh food. Everyone agrees, I'm one cool dude.

I have a round knob and also a lock. Visitors and salesmen may give me a knock
