

When you finish the form bring it back for a treat.

You use me for an emergency. you have to pull a pin out of me & I put things out.

You throw a ball in me. What am I? How many are there of me in the MPR?

When you smell smoke you pull this. What am I?

You know what time it is. What am I?

If you are in a wheelchair, you would use me to get on the stage. What am I?

When there is a performance this opens & closes?

When there is a performance where would you stand?

You sit at me & eat a meal. What am I & how many are there of me?

You listen to music & people talk, What am I?
