

HAPPY BIRTHDAY!

You can find me under a chair. I am used to brush your hair.

Look for me under the big tree. I am used to unlock a door and I rhyme with BEE.

I will be located near the front door. I am the number after 4.

You can find me where you put your trash. I can be spent just like cash.

Find me quick where you mail your letters. I am orange just like cheddar.

Look for me in the plant pot. I am cold but I'm never hot.

You can see me close to the back yard gate. I am used to make sure you're not late.

You can find me in the outdoor sink. I am used to write but have no ink.

If you like to jump look near me. I am a hot drink, but I am not tea.

Look for me near the tire swing. I am worn on your hands but I am not a ring.
