1

To find the first item that you need You should look under where Marcus rests his head to sleep

2

You need to read this clue if you want to be told where your next item is...it's where food is kept cold

3

The next hiding place you need to know... is behind what plays your favourite TV show

4

If you can find your next piece, you'll be in a good mood! So go and look somewhere you can cook food!

The last hiding place fills with water and this one can too... there are several around the house where washing hands is what you do!
