

"Teach" me your way,
Oh Lord. Teach me to pray.

Jesus died for you & me. For life everlasting,
He's the "key."

God put a "sign" in the
sky as a promise to never
again destroy the Earth by
flood.

He'll wash our sins as
white as snow, our
skin will really glow.

The Wise Men were led by
a "sign of shine," to
the site of Christ's shrine.

Jesus died for the
forgiveness of our sins on
"this"

Live by faith, not sight.
Shown by its wings of
"flight."

A "Book of Song"
which can be long.

God bless you & keep
you, in the site of the
"smallest of our crew."
