One tree left that will hopefully provide the taste we need for our chistmas delights?

One tree left that will hopefully provide the taste we need for our christmas delights?

St Patrick's Day is always in March but we need the heat to get a green \_\_\_\_\_.

Sailing is fun that we know but we have something else to row?

The lawn mower does a good job. But our other grass tool noone will rob?

This year we took two trees down. But the one behind will stop its frown?

Bees come out in the heat. But we have a ceramic house for them thats neat?

We have different bushes around our yard. One flowers once then its gone?
