

Recess time away you go. Move your body to and fro

I'm usually white and on me you write You can write on me with lead whatever is in your head.

Water and light I need to grow.You can find me outside or near the window

You do not want to miss when aiming at me. After a Touchdown for 1 or anytime for 3!

Let's go for a walk and take a look, go to the place where you check out a book

I grow up big and tall and lose my clothes in the fall. I shoot up towards the sky and give you shade when you stand by. I stand up on my roots and can grow juicy fruits

I have a face that does not frown. I have no mouth, just a familiar sound.I have hands that do not wave, I do not walk, but I move around.

Take a picture of your entire team with their eyes closed

Come to me with money and get you will get back a soda or a snack.

He is not your enemy but is your pal. Get into trouble and see him you shall.
