

Go to the big blue glass moon.

These noodles are fow swimming, not eating.

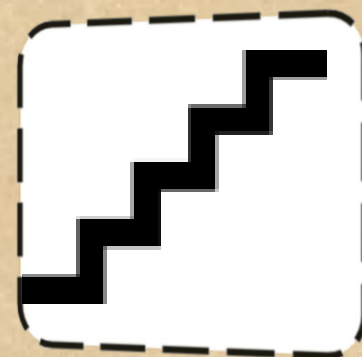

Flowers in a pot, a long way up...watch out for cars!

It's a tall, wood pole, but it's not a tree...

Go to where Nana and Grampy like to keep all the extra drinks and food to keep them cool.

Now that you're cold, move to where the air is warm. Head upstairs with an adult.

You're getting close to finding the treasure! Now go sing O'Canada at the flag. Remember to go with an adult!

This is the swimming dock, but where do we park the boats?

I want to swing and climb! Where should I go?

Ooooh you're so close! Ready for your treasure? Go through the little door that is camouflaged - one that doesn't go into the house!
