

Take a walk and step outside, this is where you go to ride

They keep it clean, they keep it dry, Can you guess? Just try!

Now you're on your second clue, this is where you find your shoes

Add some color to your days, pick these up and draw away

Time to chill, time to think, this is where you get a drink

This is where the pirates "land" sometimes there is also sand

This is like a house but not for people. It keeps things inside dry and easy to find

way up here you like to play - dig in the dirt and hide away

Here is wehere you go up to the next level to play

You're now at the very end - this is where your guests come in.
