

School is for learning. That much is true. Head to the books and look for one that's BLUE!

Time to relax as you read a good book. Find a soft object and take a careful look.

We often go out, but we need this to do it. Look for our exit and find a big clue fit.

A mouse is not just an animal, but it works like a charm. Find its connection, but please do not harm.

Hungry or thirsty, it happens for real. Look for the source of liquid and you'll make a deal.

We have so many of these in our school. Head to the NW and see one that's cool!

This is needed to make a mark. Find a bunch of them but please don't mark.

Cutting and measuring all stuff we pick. Can you find something that helps it to stick?

Most have four legs and that is a fact. Find one with four and try to be exact!

You've wandered and looked here and all around. Now find the treasure right near the ground.
