

I'm looking for a counseling dated 11/27. Remember Great Leaders think outside the box!

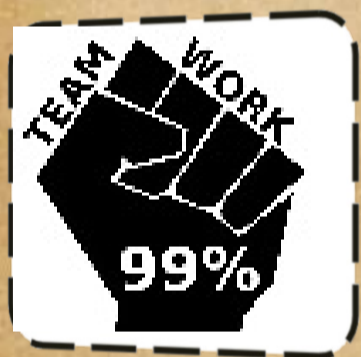

Send an email to Chris or Rod, tell them how great your boss is, and show me proof.

12/12 seems like a good date for a termination, let's see who can find one with that date.

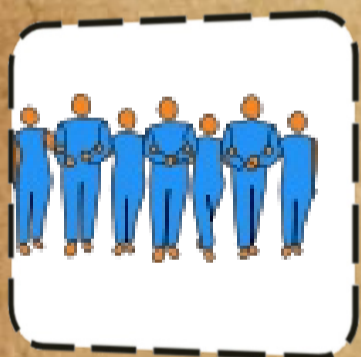

Give me a colored 1/2 sheet of paper with your name on it.

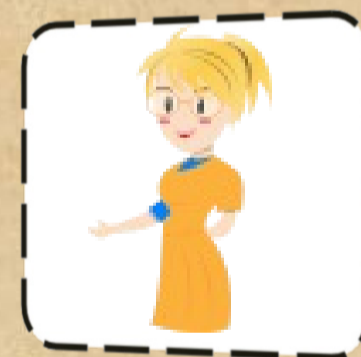

Pick out one core value and write down what it means to you. Please don't give me the definition.

Without cheating, spell Carol's last name without making any mistakes.

Write in order, who's worked for Costa the longest. (Rod, Raquel, Rhonda, Carol, Sergio, Oldschool)

Tell me what Morgan's title is?

Unscramble this. hint: 2 words vsrheehgnnacntu

I'm get'n kinda hungry so omelet you finish with just one last thing to do, find your name under a chair and bring it to me
