

You are going far. You can't walk. How do you get there?

You want to see all the amazing animals. You need to take your \_\_\_\_\_ with you.

I'm the biggest animal in the safari. I walk slow, but can run fast. My nose is very long.

I don't say meow, but am part of the cat family. I am striped.

I use my long neck to reach my dinner.

Watch out! I might slither through your legs.

I am a small safari animal, but can see high up in the sky.

I'm king of the jungle. Big and strong.

I'm strong and grey with a horn on my nose.

I run like a horse, but you can't ride me.
