

Find something soft and tickly

Find something that is prickly

Find something a frog can call home

These start off green then fall, they grow on trees some big some small

I am green and sometimes brown, but I need water to grow so dad can mow me off

Are you having fun? Take a picture showing that you are having fun

Find something that is shinny

Sometimes you throw me into water. Sometimes you walk on me

Usually this sits on top of the water but this one is in the dirt.

If you have solved every clue...maybe there is a treasure around here for you! Go back where you started
