

Find something the astronauts left on the moon, besides footprints. Hint: pledge of allegiance

Look for a seat you push with your feet.

I swing out and in to let you through. I sometimes creak, and that's your last clue.

High in the sky, I spin fast, medium and slow. I can create electricity. What am I?

Collect one insect from the tree house for the science experiment in space.

What do snakes do with their skin?

Touch the ceiling, touch the sky, get on me and watch you fly.

In the tall grass, where the cattle lay...you must take 10 steps to the right, 15 forward and I will be in plain sight.

I am lower than people, lower than trees but I can still move when I feel a breeze.

A place you would go if you were in the movie Charlotte's Web.
