

Find a tree big enough for all of you to sit under and strike a pose for a picture.

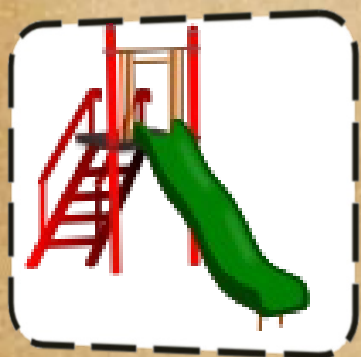

Halfway done...how about a break...find Harper's dad for a treat!

Now make a large circle around the tree holding hands...and Smile for the camera!

Back to the game, can you find three different shapes of leaves. Hold them up for a picture.

See the slide? Can you all line up sitting on the slide one behind the other? Say Cheese!

Can you all make a line, look at me and make the funniest face you can think of for the camera?

Now find some chalk on the driveway, everyone write their names. Pose for a picture when done!

Now for a little exercise, line up at the cone, hop to the other cone and run BACKWARDS back again.

Next to the shed is a box...open it up and find inside one silly item to put on...and SMILE!

Back to the tree we started at. Harper stand in front of tree, let's all yell Happy Birthday!
