with
Miss Catherine Middleton

All over this house you will find many toys you need to find the one that makes some NOISE! You will find your first Surprise there!

Next surprise is blue, purple, pink and green. You need to look for it my Queen!

The next surprise can be found where Abuela sometimes hides her Doritos and makes her burritos.

The next Surprise is outside where the bugs sometimes go and hide, but most of all where the lawn supplies reside. Hint it rhymes with head.

Go to the place where the Kitty Cats hide on the floor. You will need a special key to unlock the doors!

Go and peek in the place where Abuela keeps her special sheets for her all her parties with her peeps. You will find some sweets!

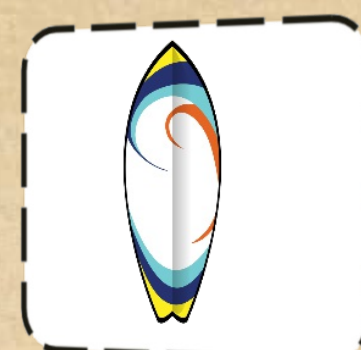

Before you search for your last surprise take a picture of your precious prize! Your WHOLE family!

Go to the place that has lots of space for your new special clothes.

Happy Birthday Reyna Daniela! God Bless you!

Feliz Cumpleanos y que Dios te Bendiga!
