Arizona's Bird: This new state is cool something they will like... Look for the bird where you park your bike!

Cool Place to Visit in AZ: Scavenger Hunts are fun, but they make you think... Look for the Cool Place where you get a drink!

State Gem: You will learn all kinds of new things...Look to see what the Gem is by the swings!

Capitol: Saying good bye is hard but we are so glad you could come. Look for the capitol by the drums!

Flower: Some clues are kind of hard, you might need a hand. Look for the flower over by the sand.

Bird: We can always e-mail, write or call. Look for the bird where you shoot the basket ball.

Flag: The Kallevig's are such amazing friends...Look for the flag by the recycle bin!

State Reptile: Where they are moving it will be a little hottie! Look for the reptile where you go potty!

State Amphibian: We can still see our friends, it will only take a car ride. Look for the amphibian underneath the slide.

What mineral in US is mostly mined in AZ? It has been a great time, but it is time to go. Find your last fact by the silo!
