

# HAPPY BIRTHDAY!

Stop HANGING around and SWING into action. Go to a place where you found childhood satisfaction. Dont let your game SLIDE, stop PLAYING around, Hurry and get over to this fun loving GROUND.

Once you reach your destination. Now you have an investigation. Find a rectangle with your color. Guess what? Its undercover.

Time to move on and find number 3. If you look closely, its under the tree.

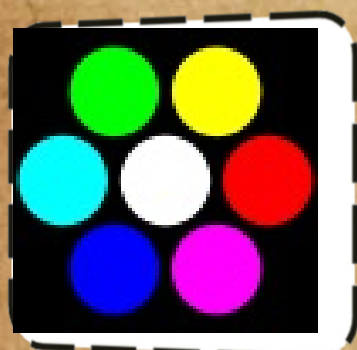

Now figure out, what this riddle is about! What goes up and down but never moves?

Look left, look right. Look all around. Most of the time you leave it on the ground.

Something you look out to spy, to watch birds or cars going by, they might be low, they might be high.

Add some color to your days! Pick these up youre on your way.

Answer this before your brain fries, What get's wetter as it dries?

Youre almost at the very end, but this is where your guests come in.

The final clue: to beat the heat you come in here, I am cool and very clear. What am I?
