

# HAPPY BIRTHDAY!

We need Birthday Candles (13 to be exact). Find them and keep them to put on Benjamin's Cake.

This is a pool party, after all. So find a lei or a flower for your hair.

Find marker and hold on to this. We are going to need it later.

Find a stash of paperclips and keep one. We'll need this later, too!

Get a picture with Benjamin & have the photographer sign here X\_\_\_\_\_

How many different types of soda do we have? Write your answer here \_\_\_\_\_

Find oregano and bring back a sprig. Not a TV food network fan? Ask someone in the know for help.

Find a rubber band. Do not shoot this at your friends (or enemies). :)

What's the dog's name? I need first, last and middle. \_\_\_\_\_

Find a ribbon tied to a tree or bush. Use this to tie up your bag.
