

These grow in the forest, but are not the usual brown color. You will find them in them playhouse!

These will make great pathways for your fairies and you can find them in the toolshed!

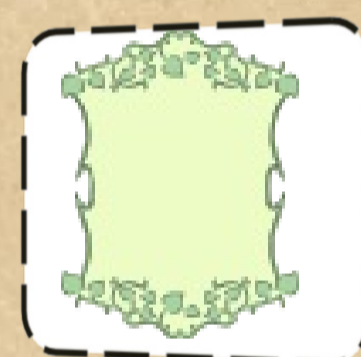

These will help your fairies step into their garden! You will find these in the butterfly/hummingbird habitat!

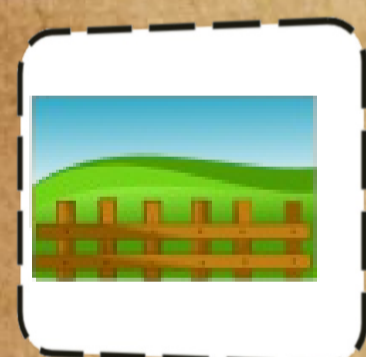

Every garden needs this and it's in short right now, but you will find plenty on the yellow brick road!

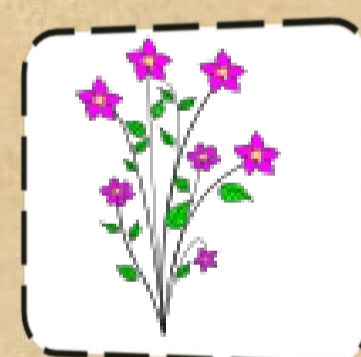

Every fairy needs to wear one to the garden party. You can find them hanging on the bench with the trellis!

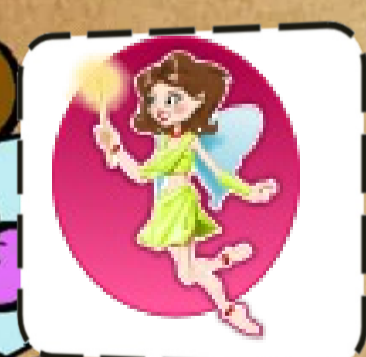

This will let garden visitors know what a special place you have created. You will find them by the "Here we go round the ..... bush"!

This will help keep out unwanted gnomes out of your garden. You will find them under the biggest tree in the garden!

A garden just isn't a garden without these and you will find them in the greenhouse!

No fairy garden would be complete without this. You can find me waiting for you by the pond!

You could not give your garden a home if you didn't have this! You will find it on the table by the greenhouse!
