

# HAPPY BIRTHDAY!

Attention soldier! To find the treasure look where you scrub a dub-dub at the end of the day!

Hope they're not here, but you're on the right path I think! The next step is to look with the dirty dishes in this sink!

You've found the next clue, but no treasure here, just keep looking have no fear! Maybe you should take a look on the shelf where you keep your books.

Hmm, you've found another clue! Just keep looking whatever you do! The next clue is hiding by the butter and cheese . Or be the milk and eggs, whatever you please!

You're doing great and I bet you're not far! How about looking behind the back seat of the car?

If while you are looking, you get a spot on your shirt, the next place to go is the machine that washes away all your dirt!

I can tell you are close, the end is near I feel! Maybe the treasure will be where we'll eat our next meal?

Has the scavenger hunt been fun? I hope so, we're almost done! A thought just popped into my head, maybe the treasure's underneath your bed!
