

Mission #1. Begin your expedition by the basketball hoop. Your first clue is near Ryan's favorite climbing tree.

Mission #2. The wildlife traders need a food source. Look for them near the apple tree.

Mission #3. All signs point to the broken tree branch by the apple tree. Check for clues by it.

Mission #4. Get back on track. Head toward the tree stump by the abandoned swing set for your next clue.

Mission #5. Search the abandoned swing set for your next clue.

Mission. #6. You must be getting closer. Discover the next clue by the "living Christmas tree."

Mission #7. Wait! Check out the fallen tree! There may be a clue there.

Mission #8. The clues lead to no where! Search the fort in clearing by the fallen tree.

Mission #9. You're hot on the trail of the conniving wildlife traders. Look for their hide out by the broken garage window.

Mission #10. You're almost there. Your final mission instructions are by the yellow shed.
