

Find a park map and introduce yourself to a ranger

Be green! Find one one item to recycle

Find a piece of moss

Find an animal track and draw what kind of animal it is from

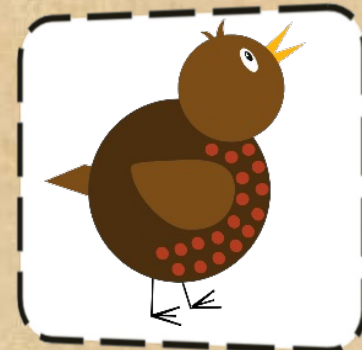

Pick up 2 pieces of trash

Physical activity is important -- run around the loop once

Find two items that a squirrel would eat

Spot a Robin -- what other birds can you see?

Find a flower and stick it in your hair

Find our campsite again, then name one reason you like being a girl scout!
