

Look for three different kinds of leaves

Look for a short branch or stick.

Look for a long branch or stick!

Look for a birds feather!

Look for a tree with a birds nest

Look for a flat rock!

Look for a flower!

Look for a nut a animal might eat....Like a acorn.

Look for a living or dead insect.

You have finished your hunt. Go to the patio and draw something you saw on your hunt with chalk!
