

HAPPY BIRTHDAY!

I love a good mess, they fill up my belly. Doesn't matter what kind, clean, funny or smelly

When running away from a snake, like an adder, as fast as you can, scramble up that...

Under sun that warms and rains that drench sit four legs without tiring, they hold up a...

It keeps the short green grass away from forest dense. Sometimes it's sometimes wood, but always, it's a...

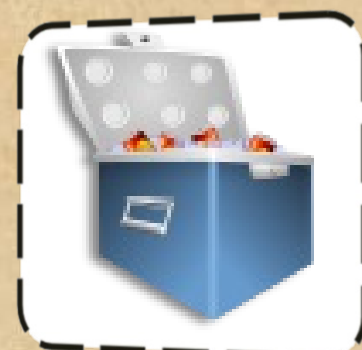

Just sit on this and you'll go high! Just kick your legs to help you fly.

Use this to dig a hole. Then add some water. Swirl it. Squish it. Make some mudpies with it!

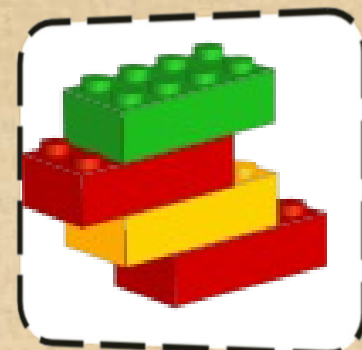

So carefree you'll glide from high to low. The laughter will bring to your face a nice glow.

It holds lots of frozen water, sparkling like gems at a jeweler. It keeps your food nice and fresh, go look in the...

I have four legs, no arms, and sometimes serve food that is grown on farms.

Congratulations! With your friends, share your treasure and your friendship will last forever.
