

Find something the length of your arm.

Find something that you can find everywhere, it's gray, hard and can be different shapes

Find a weed (make sure it's a weed and not a flower!) and pull it out at it's roots.

Find a leaf half eaten by an insect.

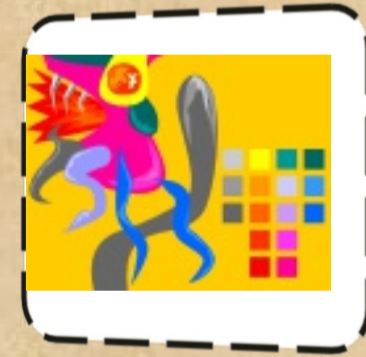

Find something a bird uses to make a nest

Can you find a soft feather?

Can you find something that is spiky?

Can you find something that is colourful?

Find something that shows you're a winner

Find something that grows into a plant.
