Video your team acting out a scene from a movie. (not using the video person)

Video a stranger or strangers singing their favorite 80's song.

Take a picture or video of the perfect Birthday Gift for Margie and be able to tell her why.

Go into a place of business and drop something until someone else picks it up without asking them.

Take 10 minutes to write down a birthday wish for Margie. Sing it to her to the tune of Row, row, row your boat.
