

Find a place where we sit and eat.

Here is where we love to sing.

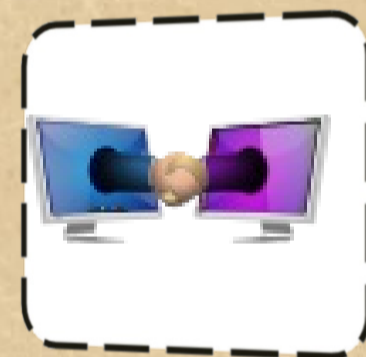

Find the place we go to when we are hurt and need a bandage.

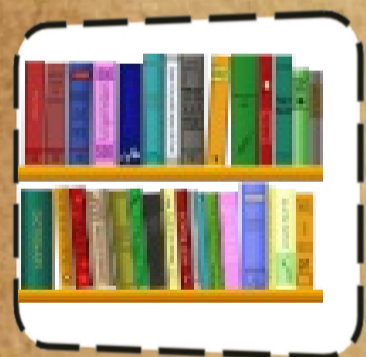

We learn to speak another language here.

Find the place of the "boss" of the school.

Here we are going to work on science, technology, engineering, and math.

We can go to this place to check out a book.

Here we will run, jump, and play games.

We go here to draw and be creative.

We go here to learn and have fun with our friends.
