

# HAPPY BIRTHDAY!

It has 4 Legs but does not run

What has a ring but no finger

One sheet, two sheet, three, sheets more..  
some use less, some use more

What goes up and down but never moves

U look at me to see yourself

What has hands but can't feel

I have keys but no locks, with space but no  
room and allow you to enter but not get in.

What invention lets you look right through a  
wall?

I have a sound that goes beep, and while  
the time I do keep, my main function is to  
heat.

The more I dry the wetter I get. What am I?
