

She refused to move her feet. She knew she has the right to this seat.

He came to see a play but a man decided he would end his life that day.

it has wheels and can go. Can come with mustard or ketchup but hold the mayo!

These golden arches shine bright. Enter and pull up a seat. This is where we are going to eat :)

There were two of them and brothers they be...They made it able for us to fly free

He was president number one...this is where he slept when the day was done.

Choo Choo! All Aboard! This has the same name as Trevor's uncle

He was an actor before he has was commander in chief...Find his presidential ride

This is completely round and off the ground. You can live in it but it would be a tight fit

Tell us something you liked that you saw today and a prize will come your way
