

The Eye of Horus watches over-where table sits and people gather. What you seek is hid from all-ask Paul

Papyrus carried the words of old-Now to a tall chest full of things that are told. Take care-Disturb but do not tear!!

Read the message from symbols long ago They show the way to where you must go!

Senkhara threatened Nina and friends Make her mark near a tree that bends!

Sibunass search when day turns night Each one of you must have a light!

Spider tests were once the key Now snakes must pass from A to B!

Traverse the grid of step or hop-Follow the sequences do not stop! Above don't touch or stop you must

Where darkness falls prepare to crawl. Hidden in a place of rest -search and find your treasure chest!

An amulet protects- this only shines Use your light to see what lies behind!

The Scale of Life you've reached the crest Weigh the heart let Anubis rest!
