

Hi, I'm Blossom We fairies use lots of things that are in the woods can you get them for me please?

Brilliant, now get in to teams of three or four, and I'll tell you what to get. But first, write your team name here...

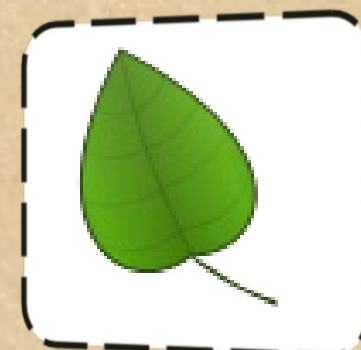

Oh, before I forget, in the woods you will find Fairy letters, leave them where they are, write down the letters when you see them do you know what they spell?

I need to make a new kettle, find me an acorn please.

My friend Marina needs a new bed, can you find me the smoothest stone you can?

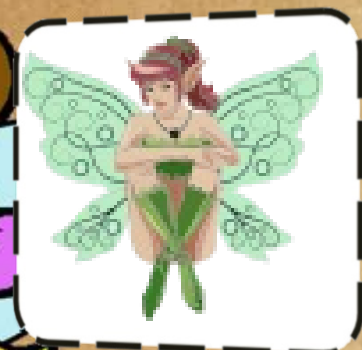

Can you find three differently shaped leaves so I can make some new clothes please?

Periwinkle has broken her brush, can you find a feather to make a new one?

Lets make the letters "J" and "M" and the number "7" from sticks, but where will we get the sticks?

STAY IN YOUR TEAMS, I'll be watching - and remember to write down the fairy-letters!

Wow, thanks. You can all be fairies for the day. Happy Birthday to Megan and Jessica.
