

If I'm worn out from swimming too much I may go here and use a boat instead.

My superhero powers allow me to save people but I sit here to watch while people swim.

While playing this game my powers may not help when I hit too hard.

Although flying is fun, sometimes just sitting down and flying can be just as fun.

Swimming through oceans and seas can be very tiring. Sometimes I just like to relax here.

Its very hard to keeps quarters in my pockets to play here.. I don't have any pockets!
