

Shows three pictures of growth, all based on national norms: projections, summary and quadrant. (2 different reports)

Shows a student's overall progress from all past terms to the selected term so you can communicate about the student's term-to-term growth.

Shows students together with the skills and concepts they need to develop.

Shows skills and concepts for all RIT bands.

Shows at a glance the academic diversity of a class across basic subject areas so you can modify instruction for that student.

Shows class performance for a term, including norms status rankings, so you can analyze student needs.
