

HAPPY BIRTHDAY!

The more I dry the wetter I become.

Stiff is my spine and my body is pale, but I'm always ready to tell a tale

What has a ring, but no finger?

I start with an "e", I end with an "e", but I usually contain only one letter

What's black and white and read all over?

I have a heart, and my last five letters mean the same as "strangle"

I have a neck, but no head, but I still wear a cap

What invention lets you look right through a wall?

I have a face that doesn't frown, I have hands that do not wave. I don't walk - but I move around?

What is higher without the head, than with it?
