

# HAPPY BIRTHDAY!

Find a Playground, and sit on the swings.

Go down the slides, and find somewhere to hide.

Look for some Children playing together, then find a place to cool and sit in the Shade!

Find a Tree that would look good to climb! (But be careful if you climb it :))

Find some flowers, and give them a sniff but leave them alone for they do not want to be picked!

Find a rock, any rock. Big or small they all come in different sizes and shapes!

Look for 3 people riding their bikes! Are they doing any tricks?

Find a basketball hoop and make 2 baskets!

Go to a bench and sit together, look around and see if you can spot 2 things that fly in the sky!

Run (or walk) through a grassy field, but who can get to the very end first?? Prizes and drinks rewarded at the end! Have Fun!! :)
