

I open doors I also start engines If you need me Don't look in the kitchen

You wear me to help you see. Do not sit on me because I crack easily.

I'm used by a chief. I help people eat. When you eat soup, you need me.

I make your teeth white and your breath fresh and clean. Find me in the bathroom if you need me.

Knock Sword Clock Cord those words rhyme with me. Teachers around the world depend on me.

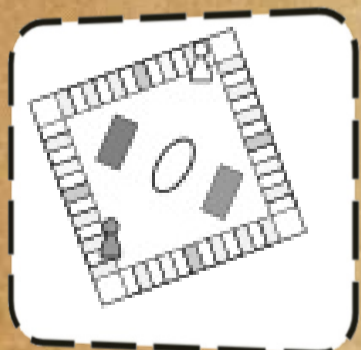

I'll keep your head warm and make you look cool. There's just one thing, you can't wear me in school.

I can make you laugh I may make you cry, when you see my pictures in front of your eyes.

If you're dirty, I'm your guy. I hold water and soap and I clean every size. Though I'm noisy, I'm the best. Hop on in to get rid of mess.

When you play me, you have fun. I'm a joy to have when there's no sun. You try hard to beat everyone.

I may smell good or bad. My petals are green like grass. You can grow me in your yard or send me as a gift with a card.
