

I'm a place where College Students go to study and read...

Stay fit and healthy is where we go to work out...

I'm the building with the bell, what is my name?

I'm the buildings where the college students live...

I'm the building where you can hear music from...

I'm a place where you go when you feel sick..

I'm the building where you can go and eat...

I'm the building where you can draw and paint.....

I'm the building where college kids can buy there books at...

I'm the building where we are suppose to meet up at....
