

In the sand you'll find this. It digs up dirt and then a pile exists.

It's round and high and will make you grin. If you like you can take a spin.

This is something with bars to grip. Don't let your hands slip!

This takes two kids to play. Up and down the bar goes all day.

Find something to sit on and go down. Don't go too fast or you'll frown.

Next you'll need to find some shade. Find this maple tree and you'll have it made.

It hangs from chains and goes from low to high. Sometimes you'll feel like you can touch the sky.

Stand in the gazebo and you'll see this. It shoots water high that hits the fish!

Find something with a net. Grab a ball and make a basket.

Come over and have a seat. Sit down and rest your feet.
