

When it gets late and you turn out the light,
This is the place you'll be found each night.

Turn up the heat it will help you bake
Cookies, casseroles, even a cake.

Use this to remove from your hair grease
and dirt, It comes out of a bottle with a
squeeze and a squirt.

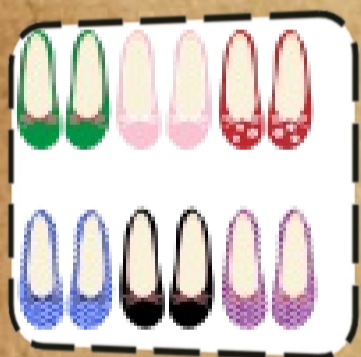

A clue to find where you keep things cold,
Where to go next is what you'll be told.

Here you see drama, comedy, even the
news, Watch so many things, how will you
choose?

Without this summer wouldn't be very nice,
we wouldn't have Popsicles or water with
ice!

You'll need to think hard to solve
the next clue. Find a covering for your foot,
but it's not a shoe.

The next clue's location I'm about to
disclose. Look where you might find snacks
or maybe Cheerios.

You sit here when you want to eat food.
Keep your elbows off, you don't
want to be rude!

They let you in or start your car. Without
these you won't get very far.
