

Find 2 Webkinz - One an animal whose found in any house hold and, one who can get the party started with a scratch from their hands.

Find a tea container. Its green, small, and blends in with pretty much everything. Don't worry it's empty :)

Find 3 Easter eggs. -Purple - Blue -Green

Find 2 books. One's from the my collection and one's from yours.

Find that cool and quirky glasses holder that normally resides near the phone.

Find a yellow squash. No it didn't grow up in our garden but it has decided to live their anyways.

Find one of those cute topiary bushes that normally sit on the mantle.

Find a sleigh. Heads up - This isn't hidden anywhere obvious.

Find Echinacea purpurea (Might want to look this one up). Don't remove it but, instead take a picture with what you find in clue 10.

Last but not least, find a camera. Take a picture of every place you found an object - BUT make them funny and creative. Probably should've put that down as number one :P
