

Welcome to our treasure hunt! There will be a prize in the end of the hunt. There will be hidden clues for you along the way. First head to a place where we can sit down and rock...

Great you found me! Now travel to the flowers that are plentiful and and firey red!

Great you found the second clue. Do you know of a place where big metal beast with wheels live?

Wow you found your 7th clue! Travel to a place that opens and closes and look for the tiny umbrellas!

Now you have found your third clue you guy and girls are doing great! Next do you know of a place where God combined the sun with a flower?

Huhh Huhh Huhh are You getting tired where is a place that more then one can sit off the ground?

WOW! You found your fourth clue! Now that you are by the sun flowers look in the big towering wooden sticks blocking us from the backyard for your next clue

That was a hard one! Now can you find the tiny fat fountain hint hint it's near the first clue!

You have found your fith clue now you are half way done with your journey! Next travel to a black metal post with a light on the top!

Well this is it your very last clue! This one will be hard I am a box with a little red flag. A man in a with a big square car puts things inside me what am I?
