

The first room you'll go is where someone would stay if that was the place they were going to pray

This is a room where we gather to share. Go and see if there is something for you there.

Someone who leads the prayer stands her straight and tall They may be wearing a special shawl - can you find one

Last week was tubishvat - whose birthday was that? Visit where they live and collect something they wear

This is not like a birthday candle you can blow out with air, this is a special light and it's called a ner.

Your not allowed in this room on your own - so look on the door to find out more.

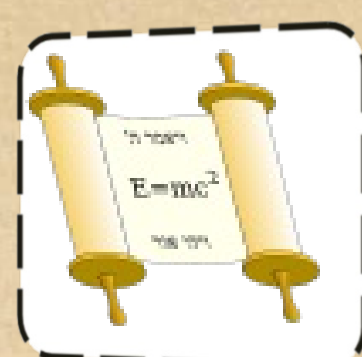

In synagogue men(and some women) wear this on their head. Can you find one in blue or in red.

This is a room that you'd go take a look if you were going to find a book.

This is a book that we use to pray. This is a special book in every way.

This very special gift is usually closed in the ark. Why is this one not kept in the dark.
