

These start off green and then fall, they grow on trees some big some small

Pine Cones grown by elves are very small and they have magic powers. Can you find two for the Queen?

A small piece of moss or grass.

A weed or flower

1 soda cap

2 things a squirrel might save for winter.

4 stones

two small sticks

Dogs may do this but trees have it. Find one piece.

The Birds all wear these as a coat it helps them fly and they also float.
