

Welcome to your scavenger hunt! Today is a special day for Jett as he turns 7. Can you work together and bring me (Sonia) 7 toys that are his favorite color.

Great job! Now imagine your under the sea with Spongebob. His pants are what shape? Find 4 of these and bring them to Jett's dad.

Okay so that was easy right? Now get ready because it's going to get harder with each clue. Here is your riddle. I'm filled with air and I'm yellow and round? Now dint the balloon that is in the spare bedroom and pop it!

The birthday boy keeps all of his toys in this room. Can you tell me what animal is on his dresser?

Okay your too smart! But beware as we continue. This next clue is alive and they swim in the water.

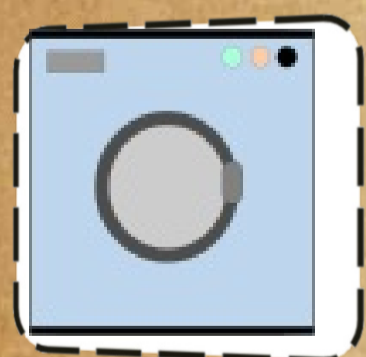

Congrats your half way to your treasure. Now think about halloween and find me a Jack-o-lantern.

Woohoo you found me now think together about where you would go to sit with one another? Look all around!

Let's play eye spy! I spy the number 46!

Okay here goes last clue. I washed my clothes they are soaking wet where should I dry them?

Congrats on finding your goodie bags!
