

New Jersey is the...

The state "creature" of New Jersey is the...

CT drivers might drive and park worse, but NJ drivers are terrible too...

So, why did we move to this state, anyway?

Buy something pink and cheap.

Although we are not going there, take a picture of one of NJ's famous malls.

What's the other reason we moved to NJ?

Produce a key ingredient of our engagement.

Buy something for our snack that was on both of our top 50 lists.

So, what are we drinking?
