

HAPPY new year

I'm round and can hold different products

I have several bristles and am used for different types of applications

I'm used as a protectant in multi color applications

I can be used in three different ways during the service depending on the hair

I'm used as a protectant for multiple chemical applications

I add texture to the hair

I create precision lines and can also add texture to the hair

I make the hair smooth and shiny

I can be used with chemical or without

I gotta lotta pull on the hair
