

Listen to our song- about when we got together

Order drinks for each other

Selfie at the place of our first "electric" date

Do face swap pic

Couple selfie in front of place where we would renew our vows- hint- think about place we got married now

Take a selfie wearing crazy sunglasses

Pic in front of christmas present that almost got us arrested

Buy a sweet treat for your sweetie

Take pic with this item Clue "It always got hotter during _____!"

Do something together we have never done before
