

Mission 1: Draw a picture of an animal footprint you saw today during the hike! What animal made the print?

Mission 2: Draw a saguaro cactus that you saw on the trail. Make sure to pay close attention to how many arms it had!

Mission 3: Draw a picture of a cairn! (Hint: This is a pile of rocks on top of each other!) What is the purpose of a cairn?

Mission 4: Tally how many mile markers you have seen today on the trail. (Hint: It would be an example!)

Mission 5: Draw a picture of an animal you saw on the hike today! (Hint: Bird, Snake, Lizard, Coyote, Javelina...)

Mission 6: Write the number in the box: Find out from a guide how many bottles of water should be drank while out on the trail every hour.

Mission 7: Write the number in the box: Ask Guide Lori how many years she has been hiking the trails of Arizona for.

Mission 8: Write the animal in the box: What is the coolest animal Guide Todd has ever seen while on the trail?

Please print your name in this box!

Please hand this paper to your AHA Guide Megan and she will check this box! You are close to being in the raffle for a cool AHA t-shirt!
