

Directions: Use the clues below to find a DTQ orange flag.

Work together as a team to figure out the clues in an efficient manner. You may split up but all team members must be present when you've found all the flags.

When you are hungry you can get a snack here during baseball season.

The goal is to be the first team to return to the clubhouse waiting in Ms. Michelle with all 7 flags. The prize will be discussed at the end of the hunt. Good Luck !!!

You'll find me close to a tree, my name rhymes with tower, and occasionally an insect will fly around, named a bee.

Sometimes it helps to be tall to play a game of volleyball. I got buried in these granular grains mate, Unfortunately that was my fate.

This is where baseball players sit while they are waiting their turn.

Look straight at me and you will see something quite similar to thee. But at an angle you will find the next flag, although I look much more like a rag.

I don't go out and play, I just stay home all day. You may have thought how pretty I be, but mostly your feet just rub me.

This is where parents sits and cheer.
